SUBJECT: Approve application for a crumb rubber track at Allen Fields through the New Mexico Environment Department's Recycling and Illegal Dumping Grant

Background/Facts : The New Mexico Environment Department's Recycling and Illegal Dumping Grant has \$666,667 available in scrap tire funds. \$1,000,000 is available for the 2016-2017 grant cycle. The RAID Act requires that two thirds (\$666,667) is applied to scrap tire projects, and one third is applied to other projects. Applicants are encouraged to apply for significant projects that will expend substantial funding. The Village of Angel Fire would like to apply for a Recycling and Illegal Dumping grant in the amount of \$264,041.07 plus NMGR, using Lone Mountain Contracting, Inc., a CES vendor, to install a crumb rubber track at Allen Fields.

FROM: Tracy Orr

SUBJECT: Approve application for the New Mexico Environment Department Recycling and Illegal Dumping grant for two new cardboard trailers

Background/Facts : The Village of Angel Fire is applying for the Recycling and Illegal Dumping grant to purchase two new cardboard trailers. We recycle a large amount of cardboard and are in need of two new trailers to replace the current cardboard dumpsters because of our increased volume. Each trailer is priced at \$2,450 per trailer. Our in-kind will consist of building the cardboard containment area on each trailer. The cost of our in-kind will be \$1000 per trailer.
